A typographical error was found in the expression of $A_{sd,i}$ on the left column of page 251107–2, three lines below Eq. (5), leading to a missing equal sign, “=” on the right hand side of the expression, leading to incorrect expression. The correct expression should read “$A_{sd,i} = U^{e}_{f,d,i} C(U_{e,x,i}) \Delta V_i$”.
